WILL FEED PRISONERS FOR THE NEXT YEAR

AWARDS FOR FOOD AND OTHER SUPPLIES FOR OAHU PRISON WERE AWARDED BY PETERS.

Attorney General Peters opened bids yesterday for supplies for the Oahu Prison for the year beginning December 1, 1906. All of the bids were made by local contractors. Nine different concerns made bids, and all but the New England Bakery received awards. The awards were based on the lowest bids made.

No bids were made to supply the jail with meat and poultry, although both of these articles had been advertised for. The old contract for the supplying of those commodities will be followed during the next year. The Waterhouse Pot Factory supplies potatoes and the Metropolitan Meat Market the meats. The awards were as follows:

Love's Bakery, hard bread, at 4 cents; fresh bread, 1 lb. loaf, at 2 1/2 cents.

Lewis & Co. (Groceries), Salmon, red, \$11.50 per 200 lbs.; tea, 12 1/2 cents a lb.; potatoes, \$1.45 per 100 lbs.; rice at \$4.14 per 100 lbs.; bar soap at \$2.50 per 100 lbs.; sugar, No. 1, at \$3.85 per 100 lbs.; yard brooms at \$2.75 per doz.

H. May & Co., coffee at \$9.90 per 100 lbs.; beans at \$2.87 1/2 per 100 lbs.

Honolulu Dairyman's Association—Milk, 9 cents per quart.

M. Phillips & Co., Blue Denim No. 1, at 16 1/2 cents per yard; blankets at \$1.75 per pair.

E. O. Hall & Son—Canvas No. 2 at 27 cents per yard; canvas No. 10, at 12 cents per yard; No. 12 at 17 cents per yard; galvanized iron buckets, English, No. 3, at \$2.25 per doz.; No. 14, at \$3.90 per doz.

Manufacturers' Shoe Co.—Shoes at \$16.50 per dozen pairs.

California Feed Company—California wheat hay at \$30 per ton; oats at \$35 per ton.

The annual cost of the prisoners is in the neighborhood of \$20,000.

GROWING RELIEF THAT BROWN WILL WIN OUT

THE PETITIONER HAS THUS FAR STEADILY CUT DOWN HIS OP-
PONENTS MAJORITY.

There seems to be a growing belief that if the recount proceeds A. M. Brown will increase his lead over Curtis Iaukea. In three out of four precincts that have been counted thus far, Brown has steadily gained over his opponent and the sentiment now is that there is not likely to be any change in this rate.

There is of course, a great deal of uncertainty in the matter and the possibility of Iaukea gaining on Brown and overcoming his lead is an even break. But some how the sentiment does not seem to be that Iaukea will gain over Brown.

Now that the Supreme Court is passing on the work of the various election inspectors, some thing like a standard can perhaps be reached in voting and in counting ballots. Since the reports of the number of ballots rejected by the Supreme Court have been published, people are naturally guessing whether their votes were among thrown out by the court. The ballots that have been rejected by the court have almost invariably been for one of about four causes, for marking with a blue lead pencil or with ink, thus making a distinguishing mark, others for putting the crosses in the wrong place on the ballots.

It is expected that the recount will be completed by the end of next week at the very latest. It is even possible that the canvass may be completed by Wednesday afternoon.

THE PAULIST MISSION.

The first service of the mission to be inaugurated by the Paulist Fathers Henry W. Wynan and Henry I. Stark who arrived by the Alameda last evening, will be at the Catholic Cathedral tomorrow. There will be sermons at the same hour every evening for two weeks on the great and eternal truths of the gospel such as "Salvation," "The Enmity of Sin," "The Lessons of Death," "The Terrors of the Judgment," "The Mercy of God," "The Eternal Retribution of the Wicked," and "The Joys of Heaven."

SUVERIC IS BADLY SCARRED

STEAMSHIP SHOWS EVIDENCE OF
ROUGH TRIP—NEWCOMERS CRE-
ATE FAVORABLE IMPRESSION.

The Suveric shows signs of a hard and long trip. Her sides are scarred from her battle with the waves and her bottom appears to be very foul. In one place the railing is nearly carried away and there are evidences that it was the sea which did it. Although the vessel is a new one, and in spite of the fact that this is her maiden trip she looks aged and as if she had been through many years of service.

Her decks presented a swarming mass of humanity. There were men, women and children, and more children than anything else. These were jammed in between the grown people and gazed across the harbor at their new home. There were many women with children in their arms and many young sturdy looking men. The women for the most part look extremely healthy and as if they had borne the long trip well.

The clothes in which the new comers were dressed were some of them wonderful to behold. There was every style known to mortals and for the most part they were clean, although some of them were very dirty. Highly colored clothes were greatly in evidence. It is to be feared that many of the clothes must be thrown away for they appear to be of very heavy material which will never do in these islands.

The crowd seemed to be in a very happy mood. They lined up along the rail and waved at visitors and laughed and joked in a great manner. Those who could speak English a little were busily engaged in asking questions about different things here. One man seemed greatly relieved when told that the Portuguese Consul was in town. As a whole the immigrants impress one very favorably. They seem to be fitted for the work they have come to undertake and as forecast by one of the men who went out on the customs launch this morning, "they may in ten years be framing laws for us."

DR. ROWATT WANTS HEAVY DAMAGES

HAS FILED A SUIT FOR \$10,000
AGAINST THE OAHU RAILWAY
& LAND COMPANY.

Another \$10,000 damage suit has been filed against the Oahu Railway and Land Company. Dr. A. R. Rowatt has brought action for that amount. His suit is a companion action to that instituted by James E. Fullerton some days ago.

Both men made practically the same allegations against the company. According to Rowatt's complaint he boarded a train of the defendant company to go to a place this side of Ewa. He was shooting.

He bought a ticket for Ewa, such being given him by the ticket agent. He boarded the train this side of Ewa on the return trip but the conductor refused to honor the ticket and demanded that he pay his fare. Rowatt declined and was ejected from the train along with Fullerton.

NEW COMMISSIONER GETS FIRST CASE

JUDGE HATCH REMANDS TWO
DESERTING SAILORS TO THE
CUSTODY OF U. S. MARSHAL.

The new U. S. Commissioner Frank Hatch had his first case this morning. Two sailors who had deserted from the British barkentine Everett S. Griggs were brought before the commissioner.

Hatch remanded them to the custody of the U. S. Marshal to be detained pending an order for their disposition by the British consul. The names of the men were Francis Robinson and Victor Osmond. The Griggs is the six masted barkentine that arrived here a short time ago from Newcastle.

Judge Dole heard several bankruptcy proceedings this morning.

CATARRH OF THE STOMACH THREATENED HIS LIFE.

Finds Prompt Relief In Pe-ru-na, the Reliable
Catarrh Remedy.

PROF. ALBERT J. SMITH.

A PROMINENT PROFESSOR OF DANCING, WELL-KNOWN IN AUSTRALIA, LONDON AND CANADA, RELATES HIS WONDERFUL EXPERIENCE WITH THE USE OF PE-RU-NA.

Albert J. Smith, the well-known professor of dancing, formerly of Fern-dale Academy, Paddington, Sydney, after touring London and Canada, has now located in Carlton, Victoria, (Australia) at 435 Cardigan street.

He writes to the Peruna Drug Mfg. Co., Columbus, Ohio, (U. S. A.), regarding his use of Peruna, as follows:

"I was troubled with catarrh of the stomach for a number of years, which finally resulted seriously."

"It was when the disease was at its worst and I could not sleep, eat nor work that I began using Peruna and found that it was doing me good every day."

"My stomach began to feel much better, my appetite increased, and I did not feel so nauseated upon rising in the morning."

"My bowels were soon in better condition, my sleep undisturbed, and the catarrh gone."

"Peruna is a perfectly wonderful medicine and I certainly recommend it for catarrh."

Some years ago it was thought that catarrh was confined to the head and nose. However, all the respiratory and digestive organs are lined by mucous membranes, and catarrh will attack these membranes at any point.

For special directions everyone should read "The Ills of Life," a copy of which surrounds each bottle. Peruna is for sale by the following druggists and will supply the retail trade in Honolulu, Hawaii: Benson, Smith & Co.; Hobron Drug Co., Honolulu, Hawaii.

Mrs. Dutton of San Francisco and her sister, Mrs. Harry Macfarlane, will give a ball at the Seaside Hotel on the evening of December 5.
